## MDCAT Exemption Criteria for Foreign Students for 2020-2021

In order to qualify for admission for the 2021 Session ONLY, SAT II results can be used instead of the MDCAT by students who have completed their HSSC programs from outside Pakistan, and where weightage of different subjects results in SAT II would be taken into consideration as follows:

1. Biology: 40%
2. Chemistry: 35%
3. Physics/Maths: 25%

Due to the COVID-19 pandemic, SAT I has not been conducted universally in 2020. Therefore, English shall be an exempted subject to those students who have completed their HSSC/High School program from an institution/country where the medium of teaching is English.
