Public Notice Transfer from one College to Another

As per the PMC Medical and Dental Undergraduate Education (Admissions, Curriculum and Conduct) Regulations 2021 a student enrolled in a college may seek to transfer to another college subject to the following;

- The student must have successfully completed their relevant year in the original college admitted.
- The student has applied for transfer to the college they are seeking transfer to and there is a vacant seat in the relevant year of transfer.
- In the event of more than one candidate for transfer on a vacant seat, the student has the highest merit to be calculated as per the policy of the University to which the transferring college is affiliated.
- The requirements as per the Transfer Policy of the University to which the transferring college is affiliated are fulfilled.
- A foreign student seeking transfer to a Pakistani college must have qualified the requisite NEB exam for the relevant academic year.

A college for purposes must ensure the following;

The college notifies the Authority within 14 days of any student registered with PMC having left the college resulting in a vacant seat.

Throughout the academic year the college displays the number of available vacant seats in each academic year on its website.

The college provides an online link to enable interested students to apply for an available vacant seat provisionally at any time during the year.

All transfers to be finalized by a college at the end of each academic year and before the start of the next academic year.

A student who has failed their professional exam or been expelled shall not be entertained for a transfer by a college. An expelled student may apply for fresh admission to another college in the first year subject to fulfilling all criteria for a fresh admission under PMC Regulations and the applicable University rules.
