Council Takes Serious Note of Complaints Received Regarding Colleges Affiliated with ISRA University

(21st Feb, 2021)

The Council has taken serious note of complaints received regarding colleges affiliated with ISRA University. It has been reported that the colleges in Islamabad and Karachi affiliated with ISRA University have been forcibly taken over with armed intervention due to some dispute as to ownership and control of the colleges and the university. Complaints have been received from students of these colleges that the recent exams and results of professional exams held in January-February have also been adversely affected by the university due to this ongoing dispute. The Council appointed the Member Examination as a special investigation officer to immediately issue notices to the colleges and after physical inspection of the colleges and hearing the management of the colleges submit a report on the situation. Meanwhile the Council also directed that any student who may have failed in the professional exams held by the University can file a request for rechecking of their examination and the same be rechecked by an independent public university to ensure the integrity of the results. The Council has also directed the Authority to contact HEC and inform them of the situation with ISRA University.
