She was having an aggregate score of 53.759 out of 80 and merit standing of 8231 in PMC merit list sent to Frontier Medical College. Presently she is at merit standing 85 after the interview conducted by Frontier Medical College, Abbottabad.
- ii. Another student named Fatima Ayaz D/o Ayaz Muhammad CNIC No. 16202-3130696-8 and MDCAT Roll No. 6003809 with MDCAT score of 121 who scored 920/1100 in FSc. She was having an aggregate score of 55.341 out of 80 and merit standing of 7662 in PMC merit list sent to Frontier Medical College. Presently she is at merit standing 70 after the interview conducted by Frontier Medical College, Abbottabad.

The following irregularities in the process of conducting interviews have been observed;

- d) Refusing to schedule interviews for students placed on the merit lists which would represent a misuse of the 20% marks allocated for interviews to colleges;
- e) Not providing a transparent interview mechanism and informing students of the marks obtained in the interviews;
- f) Confirming admission to students prior to having completed interviews of all candidates who have approached the college for seeking an interview and, subsequently admission.

The irregularities during the process of interview and selection of candidates may be explained within 03 days to the Commission.

Moreover, if the students have been granted admission, the same may be recalled with information and confirmation to the Commission on an urgent basis.

Regards.
