Subject: - Delay in Display of Merit List.

A complaint has been lodged with Pakistan Medical Commission wherein it has been mentioned that Abwa Medical College, Faisalabad has not yet displayed merit list of candidates for the admission of MBBS program 2020-2021. Furthermore, the college has called candidates for interview having low merit standing.

In view of the above, you are required to display merit list with complete details along with structure of the interview for the information of the students immediately, and also provide the same to the Commission.

Regards.
