Subject: - Incorrect MDCAT Marks Reflected in UHS Merit List Causing Error in Merit Standing

We have received a complaint that a student named Muhammad Zarbab Ali Khan s/o Qammar Abbas, CNIC No 37201-5268437-5 (UHS Challan ID 30011417) and MDCAT Roll No 6309505 is placed in the UHS merit list reflecting his MDCAT score as 192. The student had secured 170 marks in MDCAT, which can still be verified from PMC website and the result provided to UHS.

The error creates an incorrect merit standing for the student and the same is required to be corrected by UHS on an immediate basis. If the student has been granted admission the same may be recalled and the records corrected with information and confirmation to the Commission on an urgent basis.

With profound regards.
