POLICY DECISION

COUNCIL DECISION ON NATIONAL LICENSING EXAM (NLE)

The Medical and Dental Council in its 2nd meeting (14th session) held on 27th September, 2022 has approved the passing percentage of 50% for both NLE-1 & NLE-2, which will be applied prospectively.

The Council has also approved that NLE for local medical and dental graduates will be conducted through degree awarding universities after completion of house jobs. The universities will issue certificates to the graduates passing NLE and share the list of passing candidates with the Pakistan Medical Commission.
