

Dated: 25th May, 2022

The Principal,
Jinnah Medical College,
Peshawar

Subject: **TERMS AND CONDITIONS FOR JINNAH MEDICAL COLLEGE – PLACEMENT OF MUHAMMAD COLLEGE OF MEDICINE STUDENTS**

Dear Principal,

In lieu of closure of Muhammad College of Medicine, Peshawar, the placement of certain students have been made in Jinnah Medical College in years 1 to 5 as per the availability of vacant seats.

Following are the term and conditions of placement of Students of Muhammad College of Medicine:

1. All the placements are **PROVISIONAL**, subject to the satisfaction of the Authority in terms of the College maintaining the quality of education as per prescribed standards and improving the same as directed by the Authority.
2. The College should ensure faculty and resources as per the PMC accreditation standards for all years are immediately available and functional.
3. As per the record, there are 2 hospitals affiliated with Jinnah Medical College:
 - i. Jinnah Hospital
 - ii. DHQ Charsadda

While both hospitals are treated as affiliated hospitals, the Jinnah Hospital shall be treated as the primary teaching hospital for imparting teaching and training for students and the College shall ensure that there is adequacy of equipment, staff, case-mix and patient flow in all clinical departments as per requisite 2022 Standards. The College shall ensure that within 6 months Jinnah Hospital is capable of providing the requisite capacity and resources for training and teaching of students independent of other affiliated teaching hospitals.

4. A surprise comprehensive inspection of Jinnah Medical College and both affiliated Hospitals will be conducted in June 2022, to reassess the quality of teaching & training being imparted to the students. The report will be shared with the College highlighting any infirmities which shall be removed within 30 days and further identifying areas requiring improvement which the College shall ensure are so undertaken and satisfactorily achieved during the 6 months period.

5. After the completion of the surprise inspection, the College will share the following weekly data on every *FRIDAY* with PMC,
 - Total Out-patients categorized by specialties.
 - Number of full time consultants and Out-patients seen by each consultant.
 - Total Admissions.
 - Total Discharges.
 - List of all procedures carried out by category.
6. In addition there will be surprise spot inspections every month, where such spot inspections will be formative in nature and the feedback will be shared with the College for improvement in identified areas along with time frame to achieve the improvement. The spot inspections shall include interviews with students for feedback.
7. On completion of 6 months, in December 2022 a comprehensive review report will be generated to assess the improvements & functionality achieved and all shortcomings.
8. In the event that the College is unable to achieve the desired standard as per the prescribed 2022 standards and is unable to satisfy the Authority as to the quality of training and academic processes, the students may at the discretion of the Authority be transferred to any another college or colleges.

You are advised to abide by the above-mentioned terms and conditions in the true letter and spirit.

A confirmation and acceptance of the above terms are required to proceed with final registration of students at the College.
