

PAKISTAN MEDICAL COMMISSION

NOTICE

ACCREDITATION OF POSTGRADUATE TRAINING HOSPITALS

All Teaching Hospitals who are conducting or wish to conduct any category of Postgraduate, Alternative to Postgraduate or Addition to Postgraduate Training Programs are required to be registered and accredited by the Pakistan Medical Commission.

All Postgraduate Training Hospitals are required to immediately register themselves as "Institutions" on PMC Online at www.pmc.gov.pk through the Institutions Online link.

Any Teaching Hospital which has not been previously inspected for Postgraduate training (MS/MD/FCPS/MCPS) or is intending to start Postgraduate training programs, are required to urgently register at Institutions Online and apply for immediate inspection.

The National Medical & Dental Authority shall be conducting inspections of all Postgraduate Teaching Hospitals who have not been previously inspected or are seeking to initiate Postgraduate training on an immediate basis in August 2021 in order to ensure that no postgraduate training is affected and students awaiting induction into postgraduate programs can be immediately accommodated.

It is requested that registration and application for inspection is submitted ONLINE only and on an immediate basis.

For any queries please contact the Member Education of the Authority at member.education@pmc.gov.pk
