Council Approves Special One Time Pathway for a Group of Foreign Students

(21st Feb, 2021)

Council takes note of a group of foreign students who had graduated before the assessment of foreign colleges and post assessment their colleges were placed in List B requiring them to return to the country they graduated to obtain a license. A special onetime pathway has been approved for these graduates to replace the requirement for a foreign license with license eligibility enabling them to start their house jobs in Pakistan.
