

Public Notice

Attention all medical and dental practitioners:

All practitioners registered with the Commission are advised in their own interest not to take admission in any postgraduate program that is not duly recognized/ accredited by the Commission under Section 22(3) and Section 23 of the PMC Act, 2020 (reproduced as under for ready reference).

22(1) The Council may subject to assessment and recommendation by the Authority, approve and recognize a postgraduate, additional, or alternative qualification offered by an institution in Pakistan.

23(2) The Council may subject to assessment and recommendation by the Authority, grant recognition to a medical institution in Pakistan which trains or grants or both trains and grants recognized postgraduate. additional or alternative qualifications for purposes of practice of medicine or dentistry.

To ensure that the requisite postgraduate qualification which a practitioner intends to obtain has been duly accredited by the Commission, a comprehensive unified list of recognized qualifications is readily available on website (i.e. <https://www.pmc.gov.pk/Colleges/PakistanQualification>) for your convenience.

It is reiterated that the Pakistan Medical Commission (PMC) shall only register those Postgraduate qualifications which are duly accredited as per law.
