## “Public Announcement”

(28<sup>th</sup> Jan, 2021)

PMC has published the additional provisional merit list for 480 students for admissions into private Medical & Dental Colleges. Additional list represents merit of students who were not included in the original merit list due to pending verification of their documents and credentials. The colleges shall include the students for consideration as per their merit and after grant of (20%) marks for interview include these students in the final merit list of the college as per their final merit irrespective of their merit standing in the provisional merit list issued earlier.
