Subject: Grace Marks for FSc or A-level or Any Equivalent HSSC Qualification Results for Merit Calculation

Dear Registrar

It has been brought to our notice that for merit calculation, grace marks are being considered as given by some Boards in Sindh. Pursuant to the decision of the Ministry of Education, the PMC Council decision (dated 25th June 2021) related to the Ministry of Education's decision and the Memorandum of 16th August 2021, No. F.4-Sec.PMC-2020/Merit calculation/034, it is reiterated all colleges/universities when calculating the merit for admissions must ensure that for purposes of F.Sc. or A-level or any equivalent HSSC qualification results, only the actual marks obtained in the elective subjects by the applicants in their F.Sc. or A-level or any equivalent HSSC qualifications results must be used. Institutions must NOT consider any grace marks added by any provincial authority to the overall marks obtained in F.Sc. by the student.

It is emphasized here that admitting universities must ensure the above and that merit is formulated based on students' actual obtained marks in the elective subjects.

Dr. Syed Moin Ali
